

## University City Restaurants

There are two restaurants in University City we go to – Blueberry Hill and Fitz’s. Both are near the end of the 10K route. Suggest you eat before you get back to Finish. Parking can be hard at times in U. City. Actually, Fitz’s is close to the Finish point but can be crowded.

1. Blueberry Hill: 6504 Delmar Blvd. (Pop-culture themed diner)

2. Fitz’s: 6605 Delmar (Root beer factory and pub food)

There are a lot of other restaurants in the area on Delmar Blvd.
